

**Al- Noor School** est. 1995

**3K-12th Grade**

**for the 2020-2021 school year**

We have reached the end of the school year which means it's time to determine where your child will attend school next year?

**We have your solution: *Al-Noor School!***

Al-Noor School is an ideal opportunity for your children to further develop and learn all the fundamentals in a secure Islamic environment. Grades PK-12th are the most critical for our students to grasp and learn our religion. These years is bridge our students to their future selves.

Our highly skilled, devoted teachers and administrators have created a safe and structured environment with enriching lessons curated to teach our students English, Math, Science, History, and every other subject of a regular public school; but we offer something much more. Our children learn the foundation of our Deen through Islamic Studies, the Holy Quran, and Arabic, which will guide them to a lifetime of understanding of what it means to be a Muslim.

Most importantly, we promise that your children will be able to form lasting friendships with peers in Al-Noor School that will last a lifetime.

**Don't wait invest in you child's future. New applicants maybe eligible for scholarships.**

**Note to Prospective Parents:** We know that these times are changing and are uncertain on how we will continue making our new normal with Covid, but we would like to reassure our parents that our school is following strict Health Code Requirements to ensure the safety and well being of all our students and staff.

**The application period is ongoing until classes are full.**
